Description

EN
Ideal large family Catamaran / or first time sailor. Designed by the well known Bill OBrien around 1974 known as a Bobcat. She is fitted with twin Yanmar 10HP diesel inboards and has a large living area, with 5 berths in 2 cabins plus galley - for day sailing or overnight stays. Good single handed performance with its ketch rig - offering a good turn of speed. We recommend a structural inspection as there is work to be done. She will require an unspecified level of refurbishment - being sold strictly as seen, incomplete and sub-standard.

Deck: Mooring cleats. Stainless steel stern and bow rails. Stern built in boarding ladder. Sails (unknown quantity or quality). Anchor. Life raft. Dinghy. Double glazed windows.

Cabin: 2 cabins. Forward main 2x double berth with storage. Second single berth in saloon area. Toilet compartment with toilet, sink, shower and storage. Galley with sink, Plastimo Neptune 4500 2 burner hob + grill / oven, fridge, lots of storage.

Cockpit: Wooden enclosed cockpit / wheelhouse area with good standing headroom. Pilot position with steering wheel, double throttle controls and engine gauges.

Electronics: Autohelm ST4000 Autopilot Control. Brand new in box (not fitted) Standard Horizon Matrix AIS / GPS GX2200E. Interior cabin lights. Clipper depth sounder. Anchor light. Switch panel. Bilge pump. Plastimo clock. Nav lights.

Machinery: Twin Yanmar 1GM 10HP diesel inboards.
