La description

EN

Legendary 2022 Model Year Boston Whaler 190 Montauk just in! Fitted with the upgraded F150 Mercury 4-stroke outboard, this will deliver stunning acceleration and will blast all the way to 40 knots, conditions allowing. These boats are "unsinkable" as a closed cell foam is pumped between the hull and the deck mouldings during assembly filling every bit of space between the two pieces of fibreglass forming a one-piece composite construction. Boston Whalers are renowned for their design, their build quality, and their refinement. This boat features a large self-draining locker in the forward deck separate to a dedicated anchor locker. She is highly-specified, and comes complete with the fishing package comprising rod holders and a cool box with cushion and backrest, plus a bow cushion set, split bow rail, aft bench seat, electric trim tabs, hydraulic steering, navigation lights, swim platform with handrail and stainless steel ladder, reversible pilot seat, anchor, rope and chain, console and pilot seat and stern seat cover, Raymarine Axiom 9. - An early viewing is recommended.

Deck: Stainless steel cleats. Bow and stern lifting eyes. Bow locker with fibreglass cover and overboard drain. Fibreglass swim platform with grab rail and telescopic stainless steel swim ladder. Heavy-duty rubbing strake rail. Moulded-in port and starboard boarding steps. Rod holders. Welded stainless split steel bow rail (in place of standard rail) and side rails. Anchor and chain. Rod holders. Cool box with cushion. Aft bench seat. Console and back seat cover.

Cabin: N/A

Cockpit: Console with access door to batteries with latch and windscreen. Cup holders. Dash with engine controls and steering wheel. Bench style reversible pilot seating with backrest and storage. Console cushioned bow seating with storage. Front bow seating with storage and removable cushions.

Electronics: Raymarine Axiom 9. Electric trim tabs with indicators. Hydraulic steering. 12v electronics. Electrical switch panel with circuit breaker protection. Compass. Courtesy light. Battery box with hold-down strap in console. Bilge pump with float switch. Isolation switch. Horn. Navigation lights

Machinery: Mercury F150 XL 4 Stroke 3.1ltr Outboard. 272 Litres built-in fuel tank. Low hours - Approx 15.

Trailer: Highly-specified US-spec road trailer with swing-away tongue (for compact garage storage), swing down jockey wheel, and disc brakes. Because this is a US trailer, it is strictly too wide for legal UK road use and therefore is sold for off-road use only.
