Highfield CL 310 aluminium RIB with a Yamaha F15 CMHS package deal with capacity of 5+1 with Bow locker and self-draining deck. Perfect for family days out on the water and exploring. This RIB offers extra comfort from the double hulled deck. The high quality finish and luxury look belies the fact that this range of tenders has been designed to work hard. A durable aluminium hull coupled with full length keel guards make these ideal for those beach-hopping days with friends and family. The large weight savings achieved compared to equivalent GRP tenders means you'll enjoy impressive performance with smaller engines, and with excellent payload capacities, the Classic range really does offer a tender for everyone. The hulls of the Classics are built of 2.5mm thick powder coated marine grade aluminium. Valmex PVC tubes - 1100 DTEX coated fabric. Including rigging and fit out with battery.

Deck: PVC tubes 44cm diameter. Self-draining deck. 2x Oars. Welded seams. Flush mount non return valves. High tensile chromated & powder coated aluminium hull. Bow locker (Fit 24L fuel tank). Integrated transom supports. Removable seat. Lifting points and towing eyes. Tow bridle points. Brushed foam teak finish deck. Heavy duty rubbing strake and full length keel guard. Foot pump and repair kit included with boat.
