Condition:	New
Engine type:	
Fuel type:	Gasoline
Length:	4.59 m (15.06 ft)
Beam:	2.11 m (6.92 ft)
Cabins:	0
Berths:	0

Description

EN
Highfield Patrol 460 aluminium RIB with Honda BF60 LRTU outboard and capacity of 9. With choice of either rear tow post or A-frame. A rugged and tough design perfect for the requirements of sailing clubs and commercial operators or for those who want a quality tough Rib. The Patrol range of commercial quality RIBs are designed to work both excellently as a long distance family cruiser or a hardcore work boat. Built to withstand the toughest of conditions. The hull is built from 5083 aluminium plates with 6 and 10mm stringers. With their super deep V, wide chines and large diameter tube, they offer high manoeuvrability, high safety and a soft dry ride even in the roughest conditions. The Highfield Patrol range of RIBs offers something for almost every requirement, from Sailing club support to Police and Rescue applications. The Patrol boats carry large loads and plane quickly and easily with little horse-power. For charter boat and commercial operators, the modular set-up option means that we can build a layout that suits your needs. These boats are ideal pursuit craft or work boats and can be configured with different seating and console options. When safety, toughness & reliability really matter, the Patrol range should be your first port of call. Design category C. NB - library photos may not reflect specification of boat.

Deck: Orange Hypalon tubes 47cm diameter. Grey Hull. Flush mount non-return valves. High tensile chromated & powder coated aluminium hull. Integrated transom supports. Self-draining deck. Integrated under-deck fuel tank (40L). Lifting points and towing eyes. Tow bridle points. EVA decking (Faux teak). Heavy duty rubbing strake and keel guard. Overall mooring cover.

Cockpit: FRP Jockey Console HEC108 - console and seats all in one. In-line jockey seating (passenger behind pilot). Bow and Stern Tow post.

Electronics: Garmin ECHOMAP UHD 65cv – 6” Chartplotter, Garmin 115i VHF, Garmin GT20-TM transducer

Machinery: Honda BF60 LRTU outboard with hydraulic steering system. Internal under-deck fuel tanks. Fuel capacity: 40L.

Trailer: Extreme EXT750 maxi roller trailer.
