Description

EN

Highfield Sport 300 aluminium RIB with Yamaha F30 BETL outboard and capacity of 4. The Sport range has been 9 years in the making. This range of high quality boats will offer a choice from 3 metres up to 8 metres and combines all of our hull design expertise with an interior that you demand. Nothing has been sacrificed in the design of this range. Top quality materials are the hallmark of what we do and we have not compromised. Hull deadrise angles ranging from 20 degrees on the 3 metre going through to a huge 26 degrees on the 650 and up will give you assurance in the toughest conditions. The additions such as EVA teak throughout, integrated fuel tanks, superb diamond stitched upholstery and bathing platforms on our larger models will allow you to enjoy each day to the maximum. With the impermeable qualities of our aluminium hulls there's no need to worry about gelcoat chips, or putting the boat on a beach or trailer. All Highfield Sport RIBs are easy to tow, launch and recover due to their light weight and integrated davit lifting eyes. The Highfield Sport 300 will not delaminate or absorb water over time, retaining the same agile performance in 10 years time as the day you collected it. Low weight garage tender or runabout - design category C. White tubes in Mehler PVC.

Deck: White PVC tubes 43cm diameter. Flush mount non-return valves. High tensile chromated & powder coated aluminium hull. Self-draining deck. Integrated rear seat with cushion. Low profile console. Integrated transom supports. Lifting points and towing eyes. Tow bridle points. Brushed foam teak finish deck. Heavy duty rubbing strake and full length keel guard.

Cockpit: Mini SD console with side seat with carbon dash and steering wheel.

Electronics: Nav lights. Mooring light. Bilge bilge. Courtesy lights.

Machinery: Yamaha F30 BETL outboard with mechanical steering system. Internal under-deck fuel tanks.

Trailer: Morgan Marine can supply a suitable trailer or launching trolley for the Highfield Sport 300 - at extra cost. Please call 01206 302008 for options and prices.
