Description

EN

Highfield Sport 560 aluminium RIB with Honda BF100 outboard and capacity of 12, this is in our opinion the BEST 5.6m RIB on the market, it offers breath taking performance and handling thanks to its ingenious Aluminium hull design. The Highfield Sport 560 feels like a 6 or 7m RIB thanks to its vast amount of storage and seating. This boat is really equipped with everything you need from Garmin 65cv chart plotter, VHF radio, Fusion audio system, Console, swim platform, A-frame, Aluminium T-Top with fabric top, sun deck, PVC tubes and Black and Grey EVA decking. With the impermeable qualities of the aluminium hull, you dont have to worry about gel coats chips, or putting the boat on a trailer or on the beach. Design category C. Grey hull.
