Description

EN

Morgan Marine expertly supplied and rigged - 2023 Highfield Sport 560 aluminium RIB with Suzuki DF100 outboard and Extreme EXT 1300 super roller trailer. This vessel delivers exhilarating performance and exceptional handling, thanks to its innovative aluminium hull design that combines strength with lightweight agility. Despite its compact size, the Sport 560 offers a surprisingly spacious feel, with ample storage and seating that give it the presence and comfort of a larger 6 or 7-meter RIB. Equipped with a comprehensive array of features, this boat is ready to tackle a variety of adventures. It includes a Garmin 65cv chart plotter and VHF radio for navigation and communication, a sleek carbon dash, a swim platform with ladder for easy water access, a bimini for sun protection, A-frame, sun deck, PVC tubes, and EVA decking. The aluminium hulls impermeable qualities mean you won’t need to worry about gel coat chips or damage from trailers or beach landings, ensuring durability and low maintenance. This boat is prepared and waiting to hit the water - perfect for those seeking a high-performance, versatile, and reliable RIB. Contact us today to arrange an early viewing and secure this outstanding vessel for your next adventure.
