## 2022 Northstar Axis 4.2

**Condition: NEW**

The Northstar Axis 4.2 is a 13'10 inflatable tender with a maximum power rating of 60 HP. Its many standard features along with its dry and stable ride set it apart from the competition. Its Delta-Lift hull and Delta tabs deliver its quick planing time and exceptionally comfortable ride.

The Axis 4.2 boasts standard features that the competition lacks, such as hydraulic steering, an ergonomic console, an acrylic glove box, a USB charging port, a main cutoff switch, a fuel system with an integrated tank and water separator, a fuel gauge, telescoping cleats, lifting rings, and storage area. Its advanced electrical system includes a switch panel, LED navigation lights, an all-around white light, and an automatic bilge pump. You and your guests will stay comfortable with a helm bench seat, a port-side bench seat, and an upholstered bow seat, all fabricated from marine-grade upholstery.

We're proud to showcase Northstar Boats at our Tampa Bay showroom.
