La description

Boat location: Wanssum / The Netherlands (inside GrandYachts showroom)

94 pictures on our website grandyachts.eu and in high-resolution upon request.

Haha, I've sea-trialed so many boats in my life but with this one I had the real fun-factor! Look at the first pictures and you will immediately see why. **What a pleasure Beast!**

This **2010** VAT-paid **Prestige 38s** is in a superb condition and comes polished to perfection in a like new condition.

A true two cabin lay-out, a bathroom with both shower and head. A pocket sized head-turning hard-top yacht with ample space, electric sliding roof and very spacious aft deck seating area that converts to sun pad with an extra cushion. Forget the Volvo's, these Cummins are nearly indestructible and feel so much more stronger than the Swedish competitor. With only 738 engine hours there a just ran in and will give you a lot of joy!

The internal décor, designed by Garroni, in collaboration with Prestige's Styling Department, is modern and refined. The exceptional luminosity granted by the large windows is enhanced by light shades of high-tech fabrics and Alcantara®.

All in all this Prestige 38s is without doubt the best example on the market today that also comes fully serviced on engines and the rest of all equipment. You will receive a 100% working and serviced yacht. The teak is perfect and our polishing team just did an amazing job.

An electric garage door that can house your dinghy is opened by the touch a button and from the garage you have access to the very spacious engine room that is also in a gorgeous condition.

The onboard Victron Multiplus will give you all the power you need and has also the digital multicontrol so you can limit the power drawn from shore.

Viewing of this turn-key Prestige 38s is highly recommended.

(delivery possible 2 hours after purchase)
