Description

EN

The ultimate performance tender offering an exhilarating experience - this small RIB will rocket from standstill to top speed of 40 knots!! Such performance is made possible through a Webber 750cc 4 stroke engine driving through a high performance jet pump system. The Williams Turbojet 385 Jet with spacious layout can accommodate up to five adults. Her hull length promotes excellent low speed planning ability, giving a supremely stable platform for safe embarking/disembarking. The Williams range of jet tenders are renowned for their build quality and overall design - small enough to fit into the garages of most 12m+ yachts, or onto the bathing platforms of similar vessels. Early viewing is recommended!

Deck: GRP Hull and quality light grey PVC tubes. Rubbing strake. Grab handles on buoyancy tubes. Ski eye on transom. Transom fold down ladder and grab rails. Storage under mid seat. Lifting eyes. Bow locker with anchor and chain. Full boat cover. Foot pump.

Cabin: N/A

Cockpit: Forward cushioned console seating. Bow cushioned seating with storage. Console with steering wheel, engine controls and helm seat. Mesh cup holders.

Electronics: Fusion audio with speakers. Navigation Lights. Engine room fan switch. Bilge pump switch. (Fuel, RPM and MPH gauge).

Machinery: Webber 750cc 4 stroke jet drive. Fuel capacity - 50 litres.

Trailer: Indespension 2 wheel trailer with jockey wheel and winch.
